

GABRIEL GARLOUGH-SHAH

Addressing questions within the fields of human-computer interaction, information retrieval, and social network analysis; specifically, those concerned with individuals' use of social media, search engines, and generative AI, focusing on their ability to obtain and engage with content on these platforms and their attitudes toward said content.

EDUCATIONAL BACKGROUND

Northwestern University

Expected Graduation 06/2028

- PhD in Media, Technology, and Society
- Qualifying exams expected to be completed by Spring 2026

University of Minnesota – Twin Cities

Graduated 05/2024

- MA in Mass Communication

University of Wisconsin – Madison

Graduated 12/2020

- BA in Journalism and Mass Communication, Strategic Communications Track
 - BA in Political Science
-

RESEARCH EXPERIENCE

Science of Networks in Communities (SONIC) Lab, Evanston, IL

01/2025 – Present

Team Research Lead

- Leading the development of an interdisciplinary research project dealing with the effects of implementing multimodal LLMs in organizational settings – overseeing the work of five undergraduate data science interns
- Project funded by U.S. Army Research Laboratory (ARL): W911NF-23-2-0217-P00002 and Microsoft Research

Web Science Trust

09/2025 – Present

WSTNet Lab Liaison

- Corresponding member of the Network of Web Science Labs (WSTNet) for the Northwestern SONIC lab
- Working with researchers internationally to generate research and insights into the impact the Web has on modern society

Journal of Advertising, Minneapolis, MN

05/2023 – 09/2024

Editorial Assistant

- Review submissions to ensure JoA format, length, and anonymity guidelines are adhered to
- Correspondence with authors when changes to their submission are necessary
- Data analysis tasks related to JoA submission trends

Center for Health Enhancement System Studies, Madison WI

09/2020 – 12/2020

Media Planning and Production Assistant

- Negotiated media buys reaching minority communities for COVID-19 Wisconsin Connect App
- Developed script and produced video onboarding materials for STAR Recovery App

Mass Communication Research Center, Madison WI

03/2018 – 12/2020

Coding Assistant and Trainer

- Coded media content for faculty and graduate students
 - Led and trained team in coding of text data for a variety of research projects
-

PROFESSIONAL EXPERIENCE

Kennedy Communications, Madison WI

02/2021 – 06/2022

Market and Consumer Insight Associate Account Executive

- Analyze web traffic and recommend campaign customizations/optimizations to internal teams

- Review national direct mail and email marketing for performance tracking and reallocations
- Guide national co-op clients on paid search, keyword trends, and digital optimizations
- Use R packages to track social, web, and paid media content for analysis in Google Data Studio
- Conduct competitor analysis and market trend reports for internal and client-facing projects

Paragon Marketing, Chicago IL

05/2019 – 09/2019

“Road Warrior” Intern

- Staged venues with sponsor signage and event branding
- Handled event logistics as liaison to teams
- Managed Instagram posts for events

Clean Wisconsin, Madison WI

05/2019 – 09/2019

Digital Media Intern

- Revamped organizational website
- Conducted social media analysis
- Managed social accounts

TEACHING EXPERIENCE

Northwestern University

03/2025 – Present

Teaching Assistant

- MSC 492-0 – Leading & Leveraging Organizational Networks
- COMP-SCI 396 – Social Network Analysis
- IEMS 441 – Social Network Analysis

Spring 2025

Summer 2025

Fall 2025

Program Assistant – Florence, Italy Study Abroad Program

Summer 2025

- Assisted with pre-departure and on-site orientation sessions, focusing on academic expectations, cultural adaptation, and program logistics for two classes
- IEMS 349-SA: Organizational Leadership
- IEMS 348-SA: Leading and Leveraging Social Networks

University of Minnesota - Twin Cities

09/2022 – 05/2024

Teaching Assistant

- JOUR 1001 – Media in a Changing World
- JOUR 3751 – Digital Media and Culture
- JOUR 3745 – Media and Popular Culture

Fall 2022

Spring 2023

Fall 2023 + Spring 2024

University of Minnesota - Twin Cities

11/2023

Guest Lecturer

- JOUR 4272 – Digital Advertising
- Guest lecture given discussing the fundamentals of search marketing

Communication Association (ICA), Denver, Colorado.

Garlough-Shah, G. (2024). "Examining Perceptions of Generative-AI Expertise: A Networks Perspective." – ICA, Denver, Colorado. 06/2025

Garlough-Shah, G., Park, J.I., Anugrah Hayati, S., Kang, D., Huh, J. (2024). "Consumer Engagement With AI-Powered Search Engines and Implications for the Future of Search Advertising." – AEJMC, Philadelphia, Pennsylvania. 08/2024

Garlough-Shah, G. (2020). "News Satire, Second Screening, and Viral Hashtags: Understanding John Oliver's Use of Social Media to Extend his Message." – ICA, Gold Coast, Australia. 05/2020

WORKS IN PROGRESS

Garlough-Shah, G.*, Zier, J.* (2025) "Pay No Attention to the Entity Behind the Curtain: A Meta-Analysis on The Effects of AI-Disclosure on Persuasive Outcomes" Started: 09/2025

- Status: Initial analysis complete, submitted to ICA 2026 annual conference. Reaching out to corresponding authors for missing statistical information and targeting journals for publication.

* Authors contributed equally to this work, listed alphabetically

Garlough-Shah, G., Contractor, N. (2025) "Finding the Team for the Task: Investigating the effect of Multimodal LLMs in Human-AI Teams." Started: 01/2025

- Status: Developing methodology and conducting preliminary research and pilot studies before administering RCT and field experiments.

Walter, N., Lee, J.Y., Zier, J., Garlough-Shah, G., Lambert, B. (2025) "Desiderata for Theories of Human-AI Interaction in Communication Research." Started: 01/2025

- Status: Manuscript submitted to Communication Theory - 12/2025

Garlough-Shah, G., Lu, M., Wang, Y.S. (2025) "Tracking Generative AI Discourse: A Temporal and Spatial Analysis of Twitter Data." Started: 02/2025

- Status: Revising work for publication after second round of data collection.

LAB MEMBERSHIP

Science of Networks in Communities (SONIC) 09/2024 – Present

- "Develop cutting-edge techniques to study and improve social and knowledge networks in distributed working groups, online communities, virtual teams, and other large communities"

Center for Media Psychology & Social Influence (COM-PSI) 09/2024 – Present

- "Using theories of media, communication, psychology, and social influence to design, test, and evaluate interventions that improve behavioral and psychosocial outcomes"

Minnesota Computational Advertising Lab (MCAL) 09/2022 – 05/2024

- "Devoted to interdisciplinary computational advertising research examining various advertising phenomena and problems using the computational research approach"

Research in Strategic Communication (RiSC) Lab 09/2022 – 05/2024

- "Focused on quantitative research methods to study questions in advertising and PR research"

AWARDS

Dan Wackman First-Year Graduate Student Research Award, Honorable Mention 11/2023

- Award honors first-year MA or PhD student who produces the best research paper for a completed first-year graduate project in the mass communication department.

- Research titled "Prior Knowledge and Search Motivation on Product-Related Search Queries" received Honorable Mention for the award, which comes with a \$500 fellowship.

Kappa Tau Alpha, University of Minnesota-Twin Cities Chapter Member — 02/2024

- National honor society for top students in Journalism and Mass Communication.

GRANTS

Kriss Grant, Hubbard School of Journalism and Mass Communication

- Garlough-Shah, G. (2023) "Prior Knowledge and Search Motivation on Product-Related Search Queries"
- \$750, 03/2023

Kriss Grant, Hubbard School of Journalism and Mass Communication

- Garlough-Shah, G. (2023) "Comparing Consumer Perceptions of and Engagement With AI-Powered Search Engines and Traditional Search Engines: Implications for the Future of Search Advertising"
 - \$1,500, 09/2023
-
